

Energy Café

A Conversation with the Rutgers Energy Institute

Enjoy Coffee, Tea, Refreshments, and a light Breakfast while talking to energy leaders from across Rutgers University.

The Rutgers Energy Institute (REI) is pleased to be sponsoring a morning Café Hour for conversation on a broad range of energy related topics. Students, faculty, and staff from a variety of disciplines will be attending and are welcome to join in.

No reservation is required...

Just come to learn and share ideas.

Thursday, Sept. 25th
8:45am - 9:45am

What's New in Solar in New Jersey?

presentations on

- **PSE&G Solar Portfolio** (including development of landfill solar)
- **Solar+Battery Storm Resilient Systems**
(Prof. Dunbar Birnie, MSE)
